PROFESSIONAL EXPERIENCE

Document Controller

Mar 2026 - Present

Ducab (Dubai Cable Company Private Limited) | Dubai, UAE

- Manage complete OGP (Oil, Gas & Petrochemical) project documentation for the supply of cables, covering the full project lifecycle from initiation through close-out.
- Own retention and non-retention documentation for major EPC clients including Tecnimont, Technip, China Petroleum, and Petrofac, progressing high-value project files to PO close-out.
- Coordinate pre-order documentation submissions ahead of receiving drum-length breakups from customers, ensuring zero delay to order intake and invoicing.
- Drive document turnaround for retention files, targeting approval completion within 6 months of project completion through prioritized submissions and continuous follow-up with stakeholders.
- Maintain structured document storage in S-Drive (OGP-Retention folders) with Excel tracker sheets, plus a dedicated E-log for daily submission tracking, status visibility, and backup.
- Sustain customer satisfaction through responsive communication via email and Microsoft Teams, supporting accuracy and turnaround-time targets in documentation delivery.
- Ensure document retrieval from shared folders within 3 working days by maintaining tracker sheets organized by customer name and project.
- Additionally manage non-retention project documentation for accounts including Target, Rockstone, Galfar, and Dubai Petroleum.

Supervisor / Customer Service Executive
